Anti-Aging

Halo
Solaris Facial Cream
Firming facial skin.

The cream is a fantastic source of vitamin A, which slows down the aging process of the skin. Exclusive **Halo Complex™** formula allows keeping the natural characteristics of the vitamin A for a long time. This multi-purpose moisturizer creates Collagen and Elastin fibers that assist in smoothing out the wrinkles, giving your face skin a younger look and providing protection against pigmentation and dark spots.

One of the great advantages of vitamin A is to differentiate the body cells. It speeds up the cell regeneration pace, prevents their oxidation and slows down the aging. Vitamin A helps the skin stay healthy by creating a new layer of fresh skin. Applying Halo Facial Solaris Cream every day creates a new skin layer, clears out dark spots and wrinkles.

Key ingredients:

Dead Sea salt, Vitamin A, Vitamin E, Jojoba oil, Rose Hips fruit oil, UVA/UVB filters.

Paraben free. Dermatologically tested.
